

Reopening a Subsidized Guardianship Agreement Ended in Error

Note: Assignment to the case is needed in order to reopen an SG Agreement.

Introduction

Subsidized Guardianship can be reopened when eligibility has been terminated in error and the agreement, service, and associated amendment (if applicable) have been closed by eWiSACWIS overnight processing. The reopen function opens the agreement and service with the same information; no information is changed in this process. An Amended Agreement will only be reopened if one was open at the time the agreement was terminated.
